

## Work With Us

Surround yourself with sturdy 70-year-old brick walls in a setting designed to help you hatch new ideas, meet with clients, and set your business on a path to success. Impress everyone from the start by simply looking good. 1724 Broadway offers a modern communal design aesthetic by providing professional freedom for entrepreneurs and independent business people of all kinds. Whether you're a start-up or an already established business, you can set yourself apart from your competition with your boutique-style workspace.

Polished concrete, glass, and aluminium within the building's exposed brick walls and raw wood create an aesthetic vision that mixes classic and modern. Whether you meet your clients in your own office space, or use the shared conference room with seating for eight, small businesses aiming to be unique will find 1724 Broadway the perfect location.

We understand the fast pace of today's legal community and the demanding needs that are associated with complex litigation. Our goal is to be a reliable extension of your firm by offering the entire spectrum of document management services delivered in the most convenient, efficient, and cost-effective manner.

### LITIGATION DOCUMENT SCANNING & COPYING

From briefs & depositions to boxes of client files, our quality and capacity is unmatched in the Central Valley.

- High volume black and white scanning & copying - On or off-site
- Color scanning up 44" wide
- OCR for searchable text
- Digital bates labeling
- Velo/GBC/Coil binding

### TRIAL GRAPHICS

Our ability to produce stunning trial boards in-house allows us to reduce cost and turnaround times. We can provide black and white or color trial enlargements up to 40" wide. Whether it be photo enlargements, foam core mounting, lamination or overlays and transparencies, Valley Document Solutions can help.

### ELECTRONIC DISCOVERY

With growing volumes of data to review, it's becoming more important to have an experienced partner to help coordinate the searching and processing of responsive material.

- Detailed pre-processing reports with file type breakdowns and page estimates
- Data Culling (Text searching and file filtering) to reduce processing times & costs
- Provide exported data in a variety of file formats with corresponding litigation database load files.
- Digital Media Duplication (CD/DVD, Flash and External Drives)

### ARCHIVE SCANNING

The benefits of going to a paperless office are numerous:

- Lower document storage costs
- Improved office work flow
- Ease of record retrieval
- Access to records by remote locations
- More robust disaster recovery
